Investigative Summary

SIGNIFICANT USE OF FORCE (Taser-Broken Arm)

UNIT:	Palmdale Station
DATE:	Sunday, December 5, 2006
TIME:	2055 hours
LOCATION:	Avenue Q at 6th Street East, Clock Tower Plaza, Palmdale
URN#:	506-23086-2611-037
IAB#:	FO#2187505

On December 05, 2006, the Internal Affairs Bureau Force and Shooting Response Team went to Palmdale Station regarding a use of the taser, broken bone. The team consisted of Sergeants Clay Anderson and Stefanie Fredericks. At the time investigators arrived, the incident was completely over, two suspects were in custody, and the crime scene was no longer preserved. The involved personnel and the suspects were at Palmdale Sheriff's Station. Steve Connolly, Office of Independent Review, was notified of the incident.

Investigators learned that during a contact with possible robbery suspects, Sergeant Marion Tucker deployed the taser at one of the suspects, causing the suspect [redacted] to fall to the ground. The fall resulted in Suspect [redacted] breaking her left arm (radial fracture of the left ulna). All personnel involved in the incident are uniformed, field patrol units.

This investigation is based on information obtained from the involved deputies and witnesses at the scene, along with various written documentation and IAB interviews.

SYNOPSIS:

On December 5, 2005, at approximately 2055 hrs., Palmdale Station personnel were dispatched a call regarding a fight near 6th Street East and Avenue Q. As personnel responded to the area of the call, they received updated information that a robbery had just occurred. The information provided two suspect descriptions: a White female, 16 years old and a White male, 16 years old.

As Sergeant Marion Tucker drove towards the location, her attention was drawn to a small group, whose occupants matched the description of the suspects given in the call. Sergeant Tucker pulled in behind the group and ordered them to stop and place their hands on the hood of the patrol vehicle (Chevy Tahoe). All members of the group complied, except for Subject [redacted] who ignored Sergeant Tucker's commands and proceeded to walk around towards the rear of the vehicle. As Subject [redacted] walked away,

Sergeant Tucker attempted to grab her arm. [redacted] pulled away from Sergeant Tucker's grasp and continued walking away, near the rear portion of the truck.

Reportedly, directly after [redacted] pulled away from Sergeant Tucker's grasp, [redacted] turned and reached towards her waistband. Fearing that Subject [redacted] was retrieving a weapon, Sergeant Tucker retrieved and fired her X-26 Taser one time, striking [redacted] in the back and causing her [redacted] to fall the ground. Assisting deputies, Deputies John Hall and Aaron St. George, arrived and took Subject [redacted] into custody. Subject [redacted] appeared disoriented and complained of pain to her left arm. She was transported to Lancaster Community Hospital, where it was determined that Subject [redacted] sustained a radial fracture to her left ulna (elbow). She was treated and subsequently received an "OK for booking."

IAB Note: Sergeant John Hudson later found the cell phone that had been taken in the robbery under Sergeant Tucker's patrol vehicle, near where Subject [redacted] fell and was eventually taken into custody. Sergeant Tucker later related that she believed it was what Subject [redacted] was reaching for in her waistband, apparently attempting to discard the phone prior to it being located by deputy personnel. A subsequent field show-up led to the identified of Subject [redacted] and her [redacted] as the robbery suspects.

IAB Note: For specifics regarding the robbery and arrest of Subject [redacted] refer to the first report, SHAD 49 #506-23086-2611-037, which is included in this investigation as **Exhibit A**.

Sergeant Tucker stated that she was traveling westbound on Avenue Q from 6th Street East (Clock Tower Plaza), enroute to a "robbery now call," when she saw "what appeared to be the suspects" walking in a group of people proceeding westbound on Avenue Q in front of her. She related that she was approximately three blocks from the location of the call, which described the suspects as a White male and a White female, both approximately 16 years of age. Tucker said that she broadcasted radio information, giving her location and possible suspect location, and illuminated the group with her vehicle's spotlight.

Tucker said that as she stopped and exited the driver's door, she ordered the group of people on the sidewalk of Avenue Q to stop, walk to her vehicle, and place their hands on the hood. She stated the group was compliant, except for one female, Subject [redacted] Tucker related that [redacted] began walking east, ignoring her orders to stop. She said she reached out with her right hand in attempt to grab [redacted] but [redacted] quickly moved to the right and avoided being held. Tucker said that she again ordered [redacted] to stop, but [redacted] turned and began walking towards the rear of the Tahoe. Tucker said as [redacted] back was turned towards her, [redacted] moved her right hand towards her waistband and quickly began turning towards her (Tucker). Fearing that [redacted] had just armed herself, Tucker said she withdrew the X-26 TASER from its holster, and discharged the weapon, hitting [redacted] in the back. She related that the weapon was "immediately effective," and [redacted] fell face down to the asphalt street behind her Tahoe.

Tucker stated that she repositioned herself between the truck and [redacted] in order to surveil [redacted] and the other suspects at the front of her vehicle. She stated that she then broadcasted "10-33 traffic," requesting assistance to her location. With the aid of assisting deputy personnel, Deputies John Hall and Aaron St. George, Subject [redacted] was taken into custody without further incident.

Tucker related that based on her contact and observations with Subject [redacted] she believed [redacted] was under the influence of alcohol and/or methamphetamine.
